I started drinking too much wine and other strong drinks. He followed me, he followed me everywhere, always. Let us know in the comments section or on our Facebook page. Suddenly, I noticed a place on the wall of the cellar where stones were added to the wall to cover an old chimney that was no longer desired. He collaborated him until he was dead. They spent months, and I could not drive the cat's thinking of my mind. When I stood up, he went between my feet and almost made me fall. He soon became a mascot of my wife and me. Rapidly, she got several pets from the most sympathetic class. Are not humans at all times pushed, never led somehow unknown to break the law, just because we understand what the law is? My soul seemed to fly from my body. She offered to buy it from the innkeeper, but she affirmed that she had never seen the animal before. It is not known exactly or decided "in cold blood". The hole where the eye of him had been not a beautiful thing to look, it is true; But the cat no longer seemed to suffer any pain. The walls were not very strongly built, and I found that he could easily lower those stones. I passed a few moments looking for the cat, but he had left. This alone increased my anger and, without thinking, he turned me back and put the point of the knife in his heart! He fell to the ground and died without a sound. "The walls of this building are very strongly built; It is a good old house. And while talking, I hit my stick that very place on the wall behind, what was my wife's body? But listen! Listen, and he will hear how he has destroyed me. To touch an animal or person with his hand on a kind yet home or Friendly, n. Then, a day came several officers of the policeman. I watched them silently, and, as I expected, they did not notice anything. In sudden anger, I took a knife and hit the cat. Then he took the poor animal by the neck and with a fast movement, cut one of his eyes full of fear! Slowly the cat was well. An action that is considered incorrect according to the revenge of the religious law or morality "n. I took a small knife of my coat and I opened it. A day, in cold blood, empathe a strong rope around the neck of the Cat, and I took it out to the cellar under the house, I hung it from one of the wooden beams on my head. It was only with great difficulty that my wife and I went away. But I found a feeling of disgust in Mâ. When I entered, I saw, I saw: or I thought I saw: that pluton, the cat, was trying to stay out of my way, to avoid me. This fact only made my wife loved more the cat. My growing disgust by the animal, it only seemed to increase his love for me. I put him down with tears in his eyes, I put him down because he knew that he had loved me, because I felt that I had not given me any reason to hurt him, because he knew that my done was such a great evil, a sin as well as something would place my soul forever outside the Cancel of God's love! That same night, while I go to bed, I heard through my window open the cries of our neighbors. The days passed. The process or the result of being slowly destroyed by the natural processes, but as the stairs climbed, I was driven by an unknown internal force to let them know, to let them know, that he had won the battle. I jumped from my bed and found that the whole house was full of fire. Walking with an uncertain step, I went with the effort at home. Mañana I'm dying and I had other things to do, because I knew I had to do something with the body and quickly. We present the short story "The Black Cat", by Edgar Allen Poe. I thought of the cat while I saw him burn, the cat whose corpse was hanging on my cellar. Action, for an animal that I thought he still loved me, made me angry more from the reason. Suddenly, I that I wanted the cat. And I began to hate that cat! One day my wife called to me from the cellar of the old building where we were now forced to live. Then quickly they began to pick at the stones, and in a short time they saw before

them the body of my wife, black with dried blood and smelling of decay. Still there was no cat. My wife eĀĀĀ yes, and my pets, too, all were made to feel the change in my character. I went over to see what it could be. The cat was a beautiful animal, of unusually large size, and entirely black. The story was originally adapted and recorded by the U.S. Department of State. Who has not, a hundred times, found himself doing wrong, some evil thing for no other reason than because he knows he should not? I named the cat Pluto, and it was the pet I liked best. When I sat, it lay down under my chair. A few people came and asked about my wife, but I answered them easily. As the days passed I became less loving in my manner; I became quick to anger; I forgot how to smile and laugh. Tomorrow I die, and today I want to tell the world what happened and thus perhaps free my soul from the horrible weight which lies upon it. the act of doing something to hurt someone because that person did something that hurt you pet(ted) eĀĀĀ v. Quiz For Teachers Click on the image below for a Lesson Plan for this story. Immediately I felt a cold feeling up and down my back as we heard coming out of the wall itself a horrible cry. When I was a child, I had a natural goodness of soul which led me to love animals eĀĀĀ all kinds of animals, but especially those animals we call pets, animals which have learned to live with men and share their homes with them.
